Price, delivery, quantity and supply chain must be confirmed before the startup of production and latest within 48 hours after the order has been released. Any changes in the order must always be informed to SELECTED as soon as possible.

All prices are including label, price sticker and accessories cost.

We recommend using recommended suppliers for trimming. Kindly note that price negotiation with trim suppliers are your responsibility. Find the complete list of all trims in details on the SELECTED Sourcing Site

For hangtags and woven labels A-TEX are nominated and must be ordered from A-TEX at your account

In case an approval sample is needed it must be sent in size L as soon as the order is released.

At least one pre-production for approval must be send before start of bulk production.

If requested by buyer a size set should be send at own cost and so much in advance that it does not delay production

Before production please confirm which sample will be used as sealed sample throughout the production.

When the first pieces are produced a Shipment Sample must be send and delivered no later than 7 days before Cargo Closing Date.

All samples are required to follow the requirements mentioned at SELECTED Business Procedure Manual. Production must comply with the requirements mentioned at the SELECTED Quality Manual.

Care label must comply with the SELECTED Label and Composition Manual.

Measurements must comply with the requirements mentioned at the SELECTED How to Measure Manual.

Production must be completed and ready in order to reach the closing date of the vessel. Any deviation must be informed as early as possible.

Packing must be according to the SELECTED logistic manual. Updates can always be found at the SELECTED sourcing site.

All packed individually SKU clean, no master polybag must be with Price sticker with EAN code on each polybag, will as standard be put in bottom right corner Suffocation warning must be stamped on each individually polybag

All polybags must follow the guidelines found in the SELECTED logistic manual.

Please mark each box with BESTSELLER A/S, item number, item name, order number and assortment size in easily read letters. Each carton must carry shipping marks w/barcodes on 2 sides of the carton. It is important that the size of the carton matches exactly with the size of the content. As a minimum standard we require double layered corrugated cardboard.

Closing of the carton must be in accordance to the SELECTED logistic manual.

The maximum weight of each carton must not exceed 20 kg and the size of the boxes must follow the SELECTED logistic manual

It is of high importance that the actual delivered quantity corresponds exactly with the quantity ordered. Should there in certain cases due to unforeseen reasons be any discrepancies, we would as a maximum accept 5% over shipment pr. orderline.
